RE: 2023 Long Lake Fire Operational and Capital Budgets

Dear Scott,

The purpose of this letter is to notify the City of Long Lake and the City of Orono's decisions related to the 2023 Operating Budget and Annual Fire Service Capital Budget for the Long Lake Fire Department (LLFD) for 2023. Chief Van Eyll provided the budgets on August 31st. Both budgets were presented to the Orono City Council at their September 26th meeting.

Operating Budget: The City Council approved the LLFD Operating Budget for 2023 with the City of Orono portion calculated at \$543,963.

Annual Fire Service Capital Budget: The City Council voted to reject the 2023 Annual Fire Service Capital Budget as contemplated by paragraph 11 of the agreement for services. . Although the city is formally rejecting the CIP as presented we remain committed to ensuring the fire department has the appropriate equipment to perform their important mission and therefore remain open to consideration of fire equipment purchases on a case by case basis.

Sincerely,

Adam Edwards
City Administrator
