

Elevate Hennepin Business Resources

Entrepreneurs and business owners are re-imagining and re-building their businesses daily with **Elevate Hennepin**.

Elevate Hennepin draws together experts, tools and programs intentionally designed to help new and established businesses gain their footing, plan for their next steps, and take their success to a new level. Through Elevate Hennepin, Hennepin County is investing in a business support ecosystem that is shaping the region to become even stronger and resilient.

Any Hennepin County business owner or resident who owns or is starting a business can access **25 hours of free consulting**. Hennepin County has contracted with more than 20 professional business advisors and specialized consultants to offer free expert support to local businesses in a wide range of areas including planning and evaluation, legal, financial, marketing, access to capital, and more. In practice, this could look like help researching and writing a business plan, financial or legal guidance, accessing classes and cohort-style learning, or tapping into a network of community-based lenders.

Thousands of businesses in Hennepin County have engaged with the Elevate Hennepin resource hub, accessed technical assistance, or participated in a cohort-learning program.

Visit **Elevate Hennepin** for more information about starting or expanding a business to put the experts on your side.
